IEM

SNAKE - Eleni, Jill and Jeremy will bring

IEM RACK (we provide)

X32 Mixer (can connect to house stage box at venues that require)

DI for Gary Acoustic Guitar

120 V Power locations if possible

120 V Power locations (we have strips)

IEM's are used (no amps/all go direct), if not possible, we would need 4 wedge monitors, and be notified if we need to provide backline
